MEMORANDUM FOR MR. EDGAR

Subject: Weekly Report - Week ending 28 February 1947

I. PROJECTS CARRIED OVER FROM PREVIOUS WEEK

- ✓ 1. Intelligence Terminology.
Arrangements made to meet weekly with JIS to determine definitions on CIG's list of intelligence terms used loosely. We will issue these, together with selected words in the Anscot Dictionary, to the IAB agencies after they have been approved by lexicographer with request that all agencies adhere to them. [REDACTED] ORE, joins me in these meetings.

- ✓ 2. NIR-Korea - USSR
Awaiting IAB agencies' proposed list of requirements.

II. PROJECTS PLANNED BUT NOT YET INITIATED

None

III. PROJECTS INITIATED DURING WEEK REPORTED ON

None

IV. PROJECTS COMPLETED DURING WEEK REPORTED ON

- ✓ 1. Coordination of Foreign Port Data
Implementation plan completed. Understand OCD has approved it, and ORE submitted minor suggested changes. ORE still expresses fear that it will, in final analysis, be required to publish a "Port Directory", but believe front office is sending out our plan as a directive to ORE and OCD.

V. PROJECTS EXPECTED TO BE COMPLETED DURING COMING WEEK

None

VI. PROJECTS EXPECTED TO BE CARRIED OVER TO FOLLOWING WEEK

1. Intelligence Terminology.
2. NIR-Korea.
